

YVES SAINT LAURENT
PRÉSENCE, MADE VISIBLE

THE TENSION

Fragrance fades...

- Scent disappears in **8 hours**, requiring reapplication
- Sits on **small pulse** points, limiting projection
- Irritates sensitive skin
- **Single-use** bottle formats

THE CONSUMER

The Urban Sophisticate

- 25– 40 years old
- Fashion-forward
- Luxury-aware
- City-driven
- Emotionally expressive
- Tech-savvy
- Sustainability-conscious

THE INNOVATION

Présence lasts

A sculptural YSL necklace engineered with a **refillable** fragrance core.

- **Continuous, controlled** scent release
- Positioned at the neckline for **amplified sillage**
- **No alcohol** contact with skin
- **Refillable** capsule

THE VALUE

Enduring. Radiant. Intentional

- Controlled diffusion ensures scent **radiates throughout the day** through mobile app
- Ideal for sensitive skin
- Refillable system reduces waste and creates recurring revenue
- Creates a **hybrid space** between fragrance, jewelry, and wearable tech

*YSL Présence redefines the **application of fragrance** through expressive jewelry, delivering a continuous, enveloping aura with **lasting performance** and **effortless sophistication***

YVES SAINT LAURENT PRÉSENCE IS POWER

- Total number of units sold
- Inventory turnover ratio
- Gross margin percentage

Perfume Pods

- Customer retention rate
- Units per customer/average order value
- Gross margin percentage

App

- Percentage of downloads
- Daily usage per user

YVES SAINT LAURENT

FEASIBLE BY DESIGN, SCALABLE BY STRATEGY

TECHNICAL FEASIBILITY

Cutting-edge integration, not reinvention

- Precision **micro-diffusion** technology (existing, proven hardware)
- Integration of **iconic YSL fragrance formulations**
- No new scent development required
- Electronics manufacturing via **established OEM partner**
- **Rechargeable, sealed** luxury hardware system

OPERATIONAL FEASIBILITY

Controlled luxury rollout

- Limited **30,000** units flagship launch
- Distribution through select YSL **boutiques & online platforms**
- Refillable **1ml pod system** integrated into existing supply chain
- **Minimal** SKU complexity (iconic fragrance lines only)

FINANCIAL VIABILITY

High-margin luxury model

- Pendant retail: \$395 – 450
- Estimated hardware margin: ~65%
- Pod retail: \$22 - 28
- Estimated pod margin: ~80%
